

August 2008

August at the Kitsap Rifle and Revolver Club

We have a lot happening at the Club in August:

- Our Annual Courage Classic Charity 3-Gun Match will be held on August 2nd and 3rd. This is a great event that brings shooters from all around the region to compete in USPSA-style shooting competitions. This event has to be seen to be believed! Spectators are welcome and we also need help with the set-up for this event on July 30th, 31st and August 1st. (Range will be closed for set-up)
- Visit us at the Kitsap County Fair. The Club will have a booth at the fair in the pavilion like we have done for many years. If you are at the fair, which runs from August 20th to 24th, stop by the booth and say "hi". Contact Sharon at the range if you're interested in manning the booth for your Club
- Sign up for Hunter's Ed class now! Each fall we have many people clamoring for a required Hunter's Ed class so they can head out hunting. The problem is that by fall, it is usually too late to get into these very popular classes. If you plan to hunt and need a Hunter's Ed class, why not sign up for our August 15th thru 17th class. The cost is only \$15 and you will be ready to hunt when the time comes.
- A HUGE THANK YOU to all who helped out at our end of July work party!! The range looks great and it is a wonderful way for us to showcase our range to the many shooters who will be coming out for the Courage Classic and other upcoming events.
- On August 30th, we will host our annual "Family Fun Day". Everyone—members and non-members—are encouraged to come out, do some shooting, and see all of the improvements that have been made to the Range over the past year.

For the most up to date information about the Club, including classes and events as well as the very popular "video of the week" and "picture of the week" go to www.GunSafety.org.

To contact the Club:

Call 360-373-1007 or
Email info@GunSafety.org

A New Newsletter Format

Due to the popularity of the Club's website (www.GunSafety.org) and the fact that the majority of our Club members receive the newsletter (and all other Club news updates) via email, not to mention the time and production costs of having a multi-page newsletter created each month, we have decided to provide a monthly "mini newsletter" which will include two pages of the most important news from the Club. We hope this new format will provide the information that all of our Club members need in a simple, timely manner. We also encourage all Club members to get on the Club's email list in order to receive up to the minute information. Members will also want to check out the Club's website regularly as it is updated almost daily and is full of useful information.

About KRRC

- Membership is \$60 per year with a required participation component.
- Members who have completed a Safety Orientation class will be given a gate card and allowed to use the range any time it is not closed for a special event.
- Members may bring a guest to use the Range once. If your guest would like to continue using the Range they may want to consider becoming a member.
- The Range is open to the public Tuesday-Friday 11 am-7pm and weekends 8am-4pm.
