

December 2008

Kitsap Rifle & Revolver Club's

For Sport and National Defense

December at the Kitsap Rifle and Revolver Club

- We recently had our final inspection for the State grant which the Range received a couple of years ago. We were given high marks for all of the work that was accomplished with the grant funds and will be applying again during the next grant cycle so that we can make even more improvements to *your* range!
- The Executive Board, RO staff, and Discipline and Committee Chairmen want to wish everyone a very Merry Christmas and a healthy and happy New Year!
- Be sure to renew your annual Club membership before the end of the year. The 2009 KRRRC Range Access Renewal Form is included with this month's hard copy newsletter; forms are also available online at the KRRRC website at www.GunSafety.org and at the Range. Also, if you still need to finish up your Participation Credits, there are still plenty of odd jobs that need to be done around the Range as well as other ways you can meet this requirement, just call Marcus at 360-373-1007 for more information.
- Mark your calendar now for our Annual Meeting which will take place on January 8th, 2009 with a potluck to begin at 6pm and the formal meeting held at 7:30. This is always a well attended, fun event which draws many Club members. As we did last year, several prizes will be given out by drawing with the grand prize being, once again, a certificate for a Glock handgun! It is believed that this year's event will be held once again at the Silverdale Community Center in the Evergreen Room, which is located at 9729 Silverdale Way, just on the North side of Walgreens.
- Offices up for election this year include: President, currently held by Brad Smith; Vice-President, currently held by Travis Foreman; Treasurer, currently held by Sharon Carter; Recording Secretary, currently held by April Borbon; Executive Officer, currently held by Marcus Carter, and Trustee Position 2, currently held by Ken Roberts. As of this writing, all current officers have indicated a willingness to serve again, however, if you have been a regular member for at least one year (five years if you run for Trustee) and are interested in running for an open position, contact the range and submit the name to be reviewed, and once eligibility requirements are confirmed to have been met, the name will be added to the ballot.
- We are still in need of light poles to mount the new range flood lights we received a couple months ago. Most ideal would be 30' to 40' tall, however, we would not turn down ANY usable pole! If you have any leads on where we can get them, please contact a Range Officer and leave your contact information.
- A Range Officer class will be held December 13th from 9am until 5pm at the range. This is a class for new Range Officer Candidates. There is no charge for the class and anyone interested in becoming a part time Range Officer is encouraged to attend. Please call the range to register.
- We have a Personal Protection Level One class slated for December 20th. Cost is \$60 for members and family members; \$75 for non-members. Contact a Range Officer for details and registration.

December 2008
