## September at the Kitsap Rifle and Revolver Club

- The Glock Shooting Sports Foundation (GSSF) will hold their annual all Glock handgun match at our Range on September 6th and 7th. Last year we had 225 entrants for this match. This is an excellent match for shooters of all skill levels. Participants and spectators will be able to enjoy the competition, the food, and the fact that a Glock Armorer will be on hand to tune up your Glock for free. Go to [www.gssfonline.com](http://www.gssfonline.com) to register for this event or contact Marcus for more information.
- The Annual Courage Classic Charity 3-Gun Match, which was held on August 2nd and 3rd, was a huge success! We were able to raise over \$3,200 for injured Sailors and Marines. Thanks to all who participated and helped out at the event!
- A HUGE Thank You to all of our members who helped with our booth at the fair this past week—your knowledge and passion for your Club and the sport was an excellent way for us to showcase our Range and our programs to the community as well as provide information to fair-goers who were interested in membership, public shooting, and the wide range of classes offered at the Range.
- Our last Hunter's Ed class of the year will take place on September 12, 13, and 14. If you plan to hunt and need a Hunter's Ed class, this will be your last opportunity to take the class before hunting season begins. Don't miss out! Sign up today! The cost is only \$15 and slots in the class are given on a first come (first paid), first served basis.
- The ADA ramps are in and look great! This will allow all of our members and guests easy access to our range facilities. Thank you to all who worked on this project and a special thank you to Mike House and Jesse Engineering that donated all of the steel (we're talking over 1700 pounds!) for the handrails.
- Our website was recently revamped (thanks Jeremy!) and now looks better than ever. For the latest news and some pretty good pictures and videos, check out our site regularly at [www.GunSafety.org](http://www.GunSafety.org). Also, as a member of the Club, you are entitled to post your buy/sell/trade ads on the website at no charge. This has been one of the most popular sections of our website and new ads—with pictures—are posted almost daily.
- FYI—The National Rifle Association offers free NRA memberships to active duty members of the Armed Services. If you are currently serving our country and would like to take advantage of this program, go to [www.nra.org/supportourtroops/](http://www.nra.org/supportourtroops/) to sign up.
- The latest version of Gun Facts v. 5.0 is now available at no charge online. This free downloadable book provides nearly a hundred pages of gun facts (with the data to back them up) without the media spin. Check it out at [www.gunfacts.info/pdfs/gun-facts/5.0/GunFacts5-0-screen.pdf](http://www.gunfacts.info/pdfs/gun-facts/5.0/GunFacts5-0-screen.pdf).
- Thank you to Bill Boerner of Boerner's Firearms in Gorst who donated a brand new .223 Bolt Action to the Poker Shoot to benefit Nathan Lively's trip to the USPSA Nationals. Due to a tie between Bill Williams (scoped 22 pistol @ 50 yards) and Casey Samplawski (scoped 308 centerfire rifle @ 200 yards), there will be a shoot-off between the two for the rifle. The tied hands were 5 Aces with the closest to center shot being off by 21/64" of an inch for both shooters.

## September 2008
