Initialing each of the following safety commandments and rules indicates you have read and fully understand all terms and statements, and you agree to follow them at all times.

Initials

**Firearms Safety Commandments**

- 1. Treat ALL firearms as though they are ALWAYS loaded.
- 2. NEVER allow the muzzle to cover (point at) anything you are not willing to destroy.
- 3. Keep your finger off the trigger and out of the trigger guard until your sights are on target and you are ready to fire.
- 4. Be sure you have an acceptable target, know its surroundings, and what is beyond it.

**General Rules of Conduct Governing Use of the KRRC Primary Ranges**

- 1. Do not fire any rifled or slug-loaded smoothbore firearm at an elevation enough to pass over the safety berms.
- 2. Always shoot straight down range — never across the range.
- 3. The instruction/direction of a Range Officer is to be followed. Be considerate of everyone.
- 4. Only the firearms in a shooters immediate possession may be loaded. When not in use, all firearms must either be unloaded with the action open or properly stowed.
- 5. No one shall be down range unless all firearms are verified to be clear and the firing line declared COLD.
- 6. Every member is responsible for proper safety on the ranges. All safety violations or concerns MUST be corrected and reported to a Range Officer immediately.
- 7. Children and guests will be under the direct supervision of the KRRC member who brought them.
- 8. Every member and visitor must have and properly utilize adequate eye and hearing protection.
- 9. Horseplay or consumption of alcoholic beverages is not permitted at any time on Club property.
- 10. Centerfire rifles or shotguns are not to be fired on the pistol range without specific permission of a Range Officer, or during organized Club events.
- 11. Metallic and exotic frames or targets, other than those installed or approved by the club, are not to be used on the KRRC ranges without the approval of the Executive Officer.
- 12. Do not deliberately shoot at any target frame, no matter what its material and make sure all projectiles end up in an impact berm.
- 13. All shooting is to be at paper or cardboard targets mounted in or on proper frames, or at approved exotic targets that have been examined and approved by the Executive Officer.
- 14. During Club scheduled events such as Classes, Matches, Hunters' Sight-In Days, Work Parties, and the like, firing is not permitted by other than those participating in the event. Club scheduled training, competitions and work party events take priority over informal shooting practice.
- 15. No person shall handle another's equipment without the owner's permission.
- 16. The Club is family oriented and therefore, language and attire is expected to be appropriate for all ages.
- 17. All posted and/or published rules and policies are to be followed.
